Kemtekt

Siliconate impregnation protection against humidity, water and pollution, for Brick, Stone, Concrete and Plastered Walls.

Description:
- **KEMTEKT** is low viscosity transparent water repelling paint based on siliconate material.
- **KEMTEKT** applicable on the external surfaces of the brick, stone, concrete and plastered walls to repel rain drops and wash away dust and other pollutions.

Fields of Use:
- Water repelling of outside brick, concrete and plastered surfaces without changing its original appearance.
- Especially suitable for the archeological and historical buildings.

Advantages:
- Colorless, invisible and does not affect the shape or the color of the surface.
- Resists pollution and dust & keeps the original surface shape and colour.
- Prevents the formation of salts on the outside surface of walls.
- Economic & easy to apply.

Technical Data : ( at 25°C )

<tbody>
<tr>
<td>Density</td>
<td>1.00±0.01kg/l</td>
</tr>
<tr>
<td>Rate of use</td>
<td>3-5 m²/kg according to surface porosity</td>
</tr>
</tbody>
</table>

Directions for Use:
- The surfaces must be clean and free of dust, oils and any other contaminations.
- Non-Structural cracks of width more than 150 micron must be filled with Cetofill.
- Apply one or more coat of **KEMTEKT** using brush, roller or sprayer.
- The second coat is applied after the absorption of the first coat.
- The number of coats depends upon the porosity of the surface usually 2-3 coats are applied.
- The drying time depends on the climatic conditions, usually 12-24 hours.
- Application tools must be cleaned directly after application.

Safety Precautions:
- Application should be carried out in a well ventilated place.
- Gloves, protective clothing and eye goggles should be worn during application.
- Skin contaminations should be immediately cleaned with plenty of water.
- If the material is splashed into the eyes, these should immediately washed with water, and then report to an eye specialist.

Storage:
- 6 months under suitable storage conditions in dry place.

Packages:
- 1 kg, 5 kg and 20 kg.
